Below you will find your specially-coded URL that can be distributed to your students. When they use this URL to register, they will automatically be recognized as a valid student of your school - overriding the requirement of a school email address, and allowing them to use their personal email address. This URL can be distributed by any means that ensures only your students will see the URL, such as:

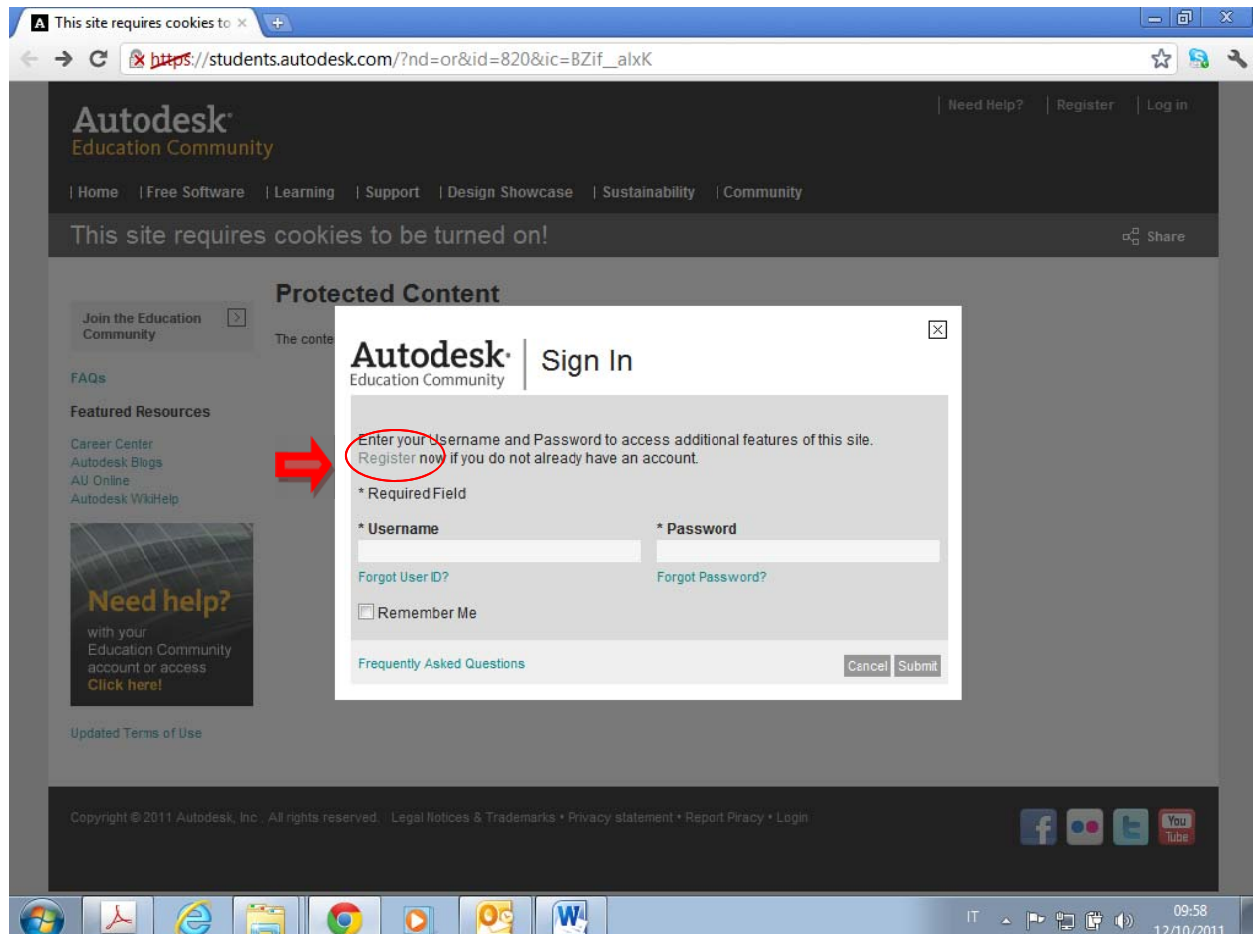

- Posting the URL on your institution's intranet site

Start registration as student (Step 2)

The screenshot shows a web browser window with the URL http://students.autodesk.com/?nd=or&id=820&ic=BZif_alxK. The page displays the Autodesk Education Community logo and navigation links. A "Protected Content" dialog box is open, titled "Autodesk Education Community Sign In". The dialog box contains the following text: "Enter your Username and Password to access additional features of this site. Register now if you do not already have an account." Below this text are two input fields: "* Username" and "* Password". There are also links for "Forgot User ID?" and "Forgot Password?". A "Remember Me" checkbox is present, and "Cancel" and "Submit" buttons are at the bottom right. A red arrow points to the "Register now" link in the dialog box. The browser's address bar shows the URL, and the Windows taskbar is visible at the bottom with the system clock showing 09:58 on 12/10/2011.

Eligibility Requirements

To participate in the Autodesk Education Community, you must agree to and comply with the applicable Terms of Use and also satisfy the following eligibility requirements. You must be one of the following: (a) a faculty member; or (b) a student; or (c) an Autodesk Assistance Program participant.

A faculty member is an employee at a primary or secondary educational institution or any degree-granting or certificate-granting educational institution or any learning, teaching or training facilities and who upon request by Autodesk is able to provide proof of such status.

A student is an individual enrolled at a recognized degree-granting or certificate-granting educational institution for three (3) or more credit hours in a degree-granting or certificate granting education program or in a nine (9) month or longer certificate program, and upon request by Autodesk is able to provide proof of such enrollment.

An Autodesk Assistance Program participant is either a veteran or unemployed individual who has (a) previously worked in the architecture, engineering, design or manufacturing industries, has completed the online registration for the Autodesk Assistance Program, and upon request by Autodesk is able to provide proof of eligibility for that program.
